

Posting of Signs

General Statement

The University Union, in an effort to facilitate effective and attractive communication at the campus community level, has identified posting areas where members of the community may post information about their activities.

Policies

Posting on the exterior of the building, its walls, windows and entrances is not permitted. In the interior of the building posting may only be done on designated bulletin and display boards. Chalk is not permitted on Union sidewalks. Banners may be posted only on portable dividers or specific hangers provided by the Union for that purpose.
